Welcome back, we would like to wish you all a very happy New Year. As we enter 2018 we have some exciting events planned, one of which being a Living Museum on February 13th (please note change of date) where children will showcase their historical learning to you (details to follow). As part of our drive to improve standards in writing we will be talking to the children about our new writing mantra, '*Firm but fair*', which is designed to eradicate common mistakes in writing such as the incorrect use of capital letters and full stops. We will also be working on developing children's resilience by running a series of workshops which will culminate in a resilience day. This will involve all children and staff being exposed to a challenging activity and being taught how to deal with the frustrations that they may feel.

As always, we have an extremely busy term ahead and looking forward to working together with you to give your child the best possible school experience.

Year 4's Jorvik Centre Trip

The year 4s had a great trip to Jorvik this week. We watched a video about the original archaeological dig which uncovered the Viking artefacts. We then enjoyed a ride back in time through a Viking village with lifelike models and some historical smells! In the next part of the day, we became archaeologists looking for important treasures and clues from the past. We rounded off the day by trying on some Viking clothing and finding out a lot more about the Viking way of life. It was a great way to kick start this term's Viking topic.
