Rewards and Sanctions

We believe in praising
positive behaviour and hard work!

We will continue with the 'track' system
in Year 3.

Homework

In Year 3:

- Reading
- Spellings / Key Words
- Mental 'Learn by Heart' facts
- One other piece of homework each week (30 minutes max)
- Plus one topic research project
- Presentation

*Given on **MONDAY** and returned on **FRIDAY***

Late or uncompleted homework:

- The expectation is that all children will complete all homework to the best of their ability and to a high standard.
- Teachers will keep records of children completing homework. If there are problems with children regularly missing homework, parents will be contacted to discuss the matter.
- There may be occasions when a child may miss their playtime in KS2 if they have not completed their homework. If a child is absent on the day the homework is set, in KS2 it is their responsibility to obtain a copy.

Reading

- Reading is about readiness and children progress at different rates.
- Staff will always take into account the child's comprehension of the book read and whether it has been signed by a parent before changing it.
- Books will be changed once a week unless there is a problem in school.
- Books with longer stories may need more time.
- It is vital that older children read at home too and continue to discuss their understanding about structure, syntax and style and to develop their comprehension. Hearing your child read shows to them that reading is a pleasurable experience.
