## St. Joseph's Newsletter

Issue 010 - 4 December 2017

Last week marked the start of the Christmas preparations. The children's faces were a picture as they entered the hall and saw the Christmas tree. The next two weeks are going to be full of excitement for your children they have their plays to rehearse and will of course continue to learn lots of new things. They never fail to impress us how hard they work! I would also like to mention the commitment and dedication of the staff here at St. Joseph's. They work tirelessly to ensure that your children have the best possible education and we are lucky to have such a passionate team!

Your children have worked extremely hard to prepare for their Christmas performances and we want to give them the best possible chance to be heard. I have therefore decided to put on an afternoon performance and an evening performance for the Year 1 and 2 plays. The afternoon performance will be child friendly as we appreciate younger children will want to see their brothers and sisters perform and to ask them to be quiet all the way through is a difficult task, which I fully appreciate. For the evening performance I would ask that you try not to bring any children that may make noise during the production or not be able to sit still and quiet for the duration of the performance.

All of the children in school will watch a performance in the morning so they will not miss out either.

I hope you all have a wonderful week. I look forward to welcoming you to your children's performances!

Thank you again for your support!
