Friday 5th January 2017

Dear Parents

We are delighted to be taking part again in a 'Year 4/5 Festival of Light at Bristol Cathedral'. This is on Thursday 1st February and runs from 09:45-14:15. Mr Anley will be leading this trip and we will be travelling to and from Bristol on a coach, jointly with South Marston, who are also attending. This will build and recap for current Year 5, whilst is a new learning experience for Year 4. Whilst at the Cathedral this cross-curricular, inter-active day will allow your pupils to:

- Learn the story of Candlemas and how it is relevant to Christians today
- Learn about the symbolism of light
- Make objects of light, such as candle holders and lanterns
- Learn about the science of light in the amazing Explorer Dome light display: <http://www.explorerdome.co.uk/>
- Work alongside pupils from other schools

They will need to have a packed lunch with them. The children have to carry their belongings throughout the day, so will only need a coat, £5 pocket money and their lunch (throw away wrappers are easiest).

Coach timings will be confirmed once South Marston have booked the coach.

Best Regards

Miss Lindsay
