

# Exploring China!

As mathematicians we will be...

- Reading, writing and ordering numbers to 100.
- Practising the operations of addition, subtraction, multiplication and division and using these to solve problems.
- Exploring 2D shapes and their properties.
- Understanding measures in length and weight.

As readers and writers we will be...

- Reading traditional folk tales from China and then using these stories as a basis for our own story writing.
- Reading non-fiction books to find out about China and using this information to write facts.

As scientists we will be...

- We will look at materials and their properties
- We will be finding out about plants and animals which are found in different habitats in our local area and in China.

Things to Remember	
Monday	
Tuesday	Indoor PE Kit for <b>TIGER CLASS</b>
Wednesday	Indoor PE Kit for <b>PANDA CLASS</b> Outdoor PE Kit for both classes Homework and spelling books to be handed in.
Thursday	
Friday	Spelling books and homework handed <b>out</b> .

At home I could...

- Read my reading book for 10 minutes everyday and answer questions about what I have read. Practise reading all the sounds in the middle of my diary.
- Practise counting and writing my numbers to 100.
- Practise counting in 2's, 5's and 10's.
