

10 January 2018

Dear Parent/Carer

Year 6 children will be visiting Nissan on **Tuesday 23<sup>rd</sup> January**.

This workshop explores the exciting world of manufacturing through the use of a Lego production line in which the children will set up and build model cars. It will also give the opportunity to see, hear and use some of the tools that they make use of every day in building cars. They give our children a fantastic opportunity to see the world of Nissan in a safe controlled environment.

This is a real community project where Nissan is trying to engage with every local primary school in the region to allow the children to explore and learn about Nissan and car building.

This visit is free of charge. School uniform must be worn on the day and the children will return by 3.15pm. The children will need to bring a packed lunch in a carrier bag or backpack if possible and please no glass bottles or fizzy drinks.

Would you kindly complete the slip below and return to school by Friday 19<sup>th</sup> January giving permission for your child to make the visit.

Yours sincerely

Miss S Unsworth  
Teacher
