Year 3 Yew

Welcome back

Class Teachers - Mr Hird

Classroom Support - Mrs Haughey, Mrs Foster

Happy New Year from all the Year 3 team! Our Jigsaw topic this half term is Dreams and Goals. Mr Hird and 3 Yew have decided that our goal this year is to read more! We are trying to read for pleasure at home.

Topics, educational visits and curriculum coverage this term

Literacy - Our literacy tasks this term include: reading and writing our own Non chronological report about The Stone Age, writing an adventure story based on the story 'Stone Age Boy', writing letters and diary entries linked to the book 'Stig of the Dump'.

Maths - Using models and images to solve problems involving 'Multiplication and Division' and 'Fractions'.

Topic: We will be studying changes in Britain from the Stone Age to the Iron Age.

ICT - Creating a simple Stone Age animation.

Art/DT - Creating Stone Age cave paintings, jewellery, weapons and settlements.

Science - Studying rocks and how to sort and classify them. Forces and Magnetism.

MFL - Spanish: opinions on colours and adjectives to describe animals.

Reminders and requests

We will be sending home a list of homework activities for the term, we ask that children aim to complete one each week and that it is handed in by Thursday.

A list of common exception word spellings can be found at the back of your child's reading record, these are to be learnt at home. Please sign and date them so that your child knows when they are learnt so that they can be test in school.

Please continue to help the children to learn their times tables as this will help them to progress through the maths passports.

Please listen to your child read every night, the recommendation is 10 minutes. Research has shown that talking to your child about what they have read in order to deepen their understanding, has a greater impact on a child's overall progress.

P.E.

This half term 3 Yew are doing Dance with Mr Hird. We are learning about dancing through the decades. We will learn a dance routine for a piece of music from each decade and create our own dance sequences using typical movements from the era. They are also doing Invasion Games with Mr Clark. PE is on a Tuesday and a Thursday. Please make sure that your child has the correct PE kit (outdoor and indoor) as well as suitable footwear for outdoor learning. These need to be kept in school all the time.

If you have any questions or would like to discuss anything, please speak to Mr Hird ☺

To be the best that we can be
