Head Teacher: Mrs C. Minogue

12th January 2018

After School Coding Club

For the first time we will be running a Coding Club next term. The club will be led by Mr Barrowclough, a qualified teacher, supported by Ms Robinson.

What is Coding?!

Put simply coding is telling a computer what to do in its own language (computer programming). This an exciting opportunity for pupils to learn how to program using lego models and an 'ohbot' robotic head. They will also be able to create simple online games.

The club will be on **Tuesdays** starting on 27th February 2018 with the last session taking place on 27th March.
(5 sessions)

The charge will be £10 for all 5 sessions.

Timing: 3:30pm – 4:30pm.

The club is open to pupils in Years 3, 4 & 5. and is limited to 15 places. All slips received up to or on the closing date will be put into a hat and picked out at random.

Parents will then be informed and if appropriate asked to pay for the club via ParentPay.

Deadline for replies is **Friday 19th January.**

After School Coding Club

I give permission for my child/children _____ to attend Coding Club starting Tuesday 27th February 2018.

Signed: _____ (Parent)
