

Medication Administration Form

Please read the following before completing the form:

- The school will only administer medication prescribed by a doctor for the child named on the form
- All medication must have original packaging and patient information leaflet
- All medication must be brought to the office by an adult and must be collected by an adult at the end of the day
- The school cannot be held responsible if the child has an adverse reaction to the medication
- The school will only administer medication if the appropriate staff are available to do so
- The school reserves the right to refuse to administer medication.
- **If providing an unsealed or opened packet/bottle then parents take full responsibility for the contents within those.**
