

Welcome back to nursery. I hope everyone had a relaxing Christmas and that Santa was good to you all. Thank you to everyone for their generous gifts and best wishes over the festive period. It was very much appreciated by us all. We wish you all best wishes for the year ahead.

Severe Weather

In the event of severe weather, such as snow, a text message will be sent regarding school closures. Please make sure the office has the most up to date mobile number to receive information.

We need your help!

Next month we are going to be learning about **People Who Help us**. We would love if you or someone in your family would come into nursery and talk about their job to the children. Please speak with Mrs. Gribben to discuss further.

We are setting up a car garage as our outdoor role-play area. If you have any steering wheels, number plates or car parts (that wouldn't be dangerous) they would all be gratefully received.

Remember to check twitter, facebook & our website for monthly updates and photographs of what the children have been learning and exploring in nursery.

Happy January Birthday to;

Alice, Joe, Mary Rose & Martha.

We hope you enjoy spending time with Birthday Bear.

Parent corner

We are developing more independence this term. The children can now put on their own coats so we will be encouraging and demonstrating to the children how to zip their own coats. Please try and encourage this at home. Thank you
