Dear Parents

## Parents Evening Booking System

Good news! Parents Evening just got a whole lot easier because you can now book your appointments online via the Teachers to Parents system we currently use for sending Text Messages.

We will send a link to your mobile phone or email address which will take you to our online booking system to select a time convenient for you. Please follow these simple steps to book your slot:

1. Click the link that you receive through text and/or email to take you to the confirmation page. You will need internet access to do this.
2. Enter your child's legal first name to continue. If you have more than one child, any of their first names will work.
3. Next you will be taken to the booking page. This will show your children alongside the class teachers that you can book in with.
4. Click 'Please Choose' to be shown a list of available times, just click the one most suitable for you to book that time slot. This will even give you the option to add any notes that you might want the teacher to see before the meeting.
5. After you have entered any notes, please click 'Book this Slot' to complete your booking. When the button has turned green you know your booking has been made.
6. At any time before the Parents Evening, you can click the link on your phone or email again to check your booking time or even un-book by clicking the green booked button.

Make sure you book your parents evening ASAP to ensure you get the best time for you.

Yours sincerely,

Ms. S. Duffy
