

History – The Anglo Saxons

We will be studying the history of Britain through the Anglo Saxon period.

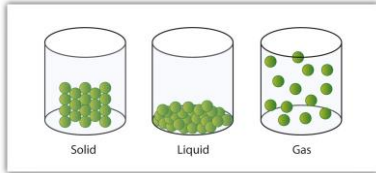

PHSE

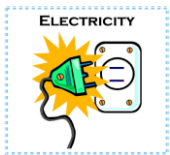

We will be finding out about 'Going for Goals'.

Science – States of Matter / Electricity

Compare and group materials in to solids, liquids and gasses, observe changing states including evaporation and condensation.

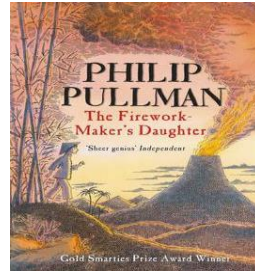

Identify common appliances that run on electricity. Construct simple electrical circuits, switches and conductors and insulators.

Literacy – The Firework Maker's Daughter

Our novel for this term is 'The Firework Maker's Daughter' by Philip Pullman. Through this novel we will be exploring the different genres of writing, including, instructions, letters, explanations, diaries and reports. We will look closely at comprehension during literacy, topic work and guided reading. We will also include a grammar and punctuation lesson.

Year 4 – Spring Term

ICT We will learn how to use the internet safely and learn how to code.

PE

Swimming, badminton and football.

French

The vocabulary associated with food, our hobbies and friends.

Music

We will be learning about European composers and creating percussion compositions.

Geography – Europe

We will use maps, atlases, globes and digital and computer mapping to locate features of the different countries in Europe.

Numeracy

In Numeracy we will continue to practise our tables up to 12 x 12. We will work on fractions of numbers and shapes. We will also find out about decimals. We will look at time including the 24 hour clock. We will work with money and measure. We will continue to work on our fluency, reasoning and problem solving.

RE

We will be finding out what Christians believe about Jesus and why Lent is important for Christians.

Art / DT

This will be linked to our topics looking at collage and textiles and digital media.
