New Road Primary School

Weekly Newsletter - Week 16

Roof Work

I have now met with the contractors who will be working on our new roof and I have an overview of the planned work schedule. Work will start on Monday 29th January with the first task of putting up the scaffolding for the first phase. This will be at the back of the school but should not cause a problem in the rear car park. All work with heavy duty vehicles is planned during school time so should not impact on drop off and pick up times for the children. I will continue to keep you updated on this issue.

Congratulations to all our GROWTH and House Point certificate winners this week -
