Dear Parents,

This week we have had several visitors to the school—several of the Governor's have visited to have a look at different aspects within their monitoring roles, our school improvement advisor visited the school on Tuesday afternoon and looked at the children engaged in their topic learning.

On Tuesday we had five people from the Medway Valley Countryside Partnership visit the school, they have helped to tidy up the hedgerow and trees and have made log-piles for habitats for woodland creatures. They will be returning in March to sow a wildflower meadow and to erect bird boxes—with a camera.

Kemsley class were lucky enough to be able to go out and watch them in their work and had a talk about wildlife and habitats. We were fortunate enough to be fully funded for this project, which will really benefit all the children's science learning across the school.

On Thursday 8 children represented the school at Medway Park in a swimming gala. They all did really well and we ended up 13th out of over 40 schools. Well done to all our children.

Next week on Monday Year 6 will be travelling to St. John's school for a play and workshop, provided by an educational company to enhance their PHSE education. We are still looking for parents who have been DBS'd to provide lifts to and from this venue—if you are able to help please contact the school office.

On Tuesday twelve of our Year 1 and 2 children will representing the school at Greenfields in a multi-skills competition. We were lucky enough to get a mini-bus for transport.

We are hoping that the football team, who were very successful in their recent tournament will be playing a match on Friday to find out which team qualifies through to the next round. More information to follow!

Full School uniform is required to be worn every day. This includes white shirt, tie, navy blue cardigan or jumper and grey skirt/trousers. I have noticed a few children without a tie, if your child has misplaced or lost this item please take a look in the lost property boxes outside the main office. I am sure you will agree with me our children look very smart when dressed in full uniform.

Parents consultation evenings will be taking place on Wednesday 7th and Thursday 8th February. A letter will be sent our shortly regarding this.

Please ensure you check and set up filters to protect your child when using i-pads and tablets especially if they are on-line. You can do this by turning on your parental controls in the settings.

Best Wishes
Michelle Cox
