Rosetta app - if you haven't it downloaded yet, from the App Store or Google Play, please do so. It is a great way for quick communication—no more missed letters in school bags!

Please contact Miss Tumelty or Mrs Crawford if you need more information.

Some parents are already commenting how useful it is to receive reminder notices straight to their phones. Soon the Rosetta Reporter will also be sent this way.

If the school has to close for bad weather, or any other reason, **you will receive a text message** with this information—please make sure you inform Mrs Osborne if your number changes. The information will also be on the school website and Facebook page, and notified to BBC . A decision to close will be based on the ability of children and staff to get to school .

The bad weather didn't stop the children participating in the RSPB survey, thanks to Miss Brennan for helping us with this. For more information go to rspb.org.uk/birdwatch

Please keep checking regularly for head lice and remember children are also susceptible to threadworms—watch out for scratching or discomfort. Advice and free treatment for both of these conditions is available from the pharmacist, or check on a website like www.nhs.uk

Great lining up and behaviour in the corridor from

P2D and P5D

Good manners award goes to **Zak P5D**

Friends of Rosetta—our next meeting is on Wednesday 31st January at 7.30 in the staffroom. EVERYONE is welcome. We will be planning forthcoming events like the Valentine Disco. Friends of Rosetta play an important role in the school, organising fun events for the children and raising much needed school funds. It is a great way to get to know parents and staff in the school community too—please join us if you can.

Improve your use of English...

English conversation classes continue every Monday morning in the staffroom, starting at 9.00 am. Please join us after you have dropped the children off. It is a great opportunity to talk together, improve your English and make some friends!
