

Bisley C of E Primary School

Everyone Successful Everyday

Dear parents/carers,

Bisley C of E Primary is one of 3 main local schools that serves Pirbright Barracks and we do also take some children who are based at Deepcut.

Currently just over 10% of our school population is made up of service families.

At Bisley we work closely with the ATC (P) Welfare and Welsh Guards Welfare to ensure that we support the children from these families as successfully as we can. Personally I have worked with service families for almost 8 years now and have a good understanding of the stresses and pressures that many families face.

We know that when you move area it can be a daunting experience finding a new school. Why don't you come and see our school and what we have to offer - no appointment needed. As we are a Voluntary Aided School we are able to offer any vacant school places we have 'on the spot' which can often help alleviate some of the stress of moving.

At Bisley we currently use the Service Pupil Premium (£300 per service child) to support the children in a mainly pastoral way. We have a dedicated Home School Link Worker who can work with you and your family to ensure that you receive as much support as possible. We also run a 'new to Bisley' breakfast every Monday morning and provide the children with emotional support especially when parents are deployed or working away from home.

We want to make sure that your child has the greatest opportunity to be the best they can be!

Please do come and see us, we would be delighted to show you around.

Kind Regards

Mrs C McConnell

Headteacher
