

What we are learning in Year 4

W/c 22/1/18

<p>Maths Note to parents: Please keep practising multiplication tables.</p>	<p>Next week we will be revisiting the formal written method for addition and solving problems involving this method.</p> <p>Homework: In mental tests we are focusing on halving at present. Can you complete the halving space race.</p>
<p>English Note to parents: Please encourage your child to practise their spellings.</p>	<p>Next week we will be finishing our non-chronological reports and writing these in neat so that they will be available next term to go on display around school.</p> <p>English homework: At home can you record examples of plurals (more than one) and possessive objects (belong to someone). For example toys (plural) Owen's toy (possessive).</p>
<p>Topic</p>	<p>Not only will be visiting the Deep on Wednesday we are also going to begin learning about the five classes of animals (mammal, bird, fish, reptile, and amphibian)</p> <p>Topic homework: Can you choose one of the classes of animals (for example birds) and research five examples.</p>
<p>Key Reminders / Extra information</p>	<p>Swimming is on Tuesdays *An absolutely fantastic turn out for swimming again this week- let's keep up the excellent attendance.</p> <p>PE is on Wednesdays</p> <p>Wednesday 24th January is our trip to the Deep. The children will need a pack lunch and drink and they will need to be wearing full school uniform since other schools are likely to be visiting at the same time.</p>

Thank you.

Miss Martin
