## Cedar Class

Cedar Class have had a busy start to this term exploring the story of Rapunzel. After we read the story, we role played the characters thinking about how each character would answer questions asked to them. Then we got into groups to create a TV news report and interviewed the Wicked Witch, Rapunzel and the Prince. We filmed these using the ipad and even had a go at filming each other interviewing the characters. Next we are going to use this knowledge to write newspaper reports.

Cedar class had a homework challenge to create a tower for Rapunzel using any recycled materials they had at home. They have worked so hard on them so please come by to see them in the window. They are fantastic and all so different!

## County Finals for Trinity Girls Football Team

3 cheers for Trinity Girls football team and 1 more for their excellent play!

Following their win in the Regional competition, the Trinity Girls football team travelled to Street to play in the County Finals. It was a cold Friday but the football was hot! The team gave 100% effort in the 5 games, winning 1 and drawing 2 against some of the best teams in Somerset. Their exemplary sporting behaviour attracted much praise from the opposition coaches and players and all matches were played in an excellent spirit. Well done to all the girls for some brilliant football and a special thank you to the coach, Miss Robinson, for all her time and hard work in taking the team to a new level.

The Trinity Church School Girls Football team from Y5 and Y6 were: Eve, Evie, Ella, Amber, Jamie-Leigh, Grace, Kaity, Gabby, Ellie and Charlotte.

Mr Paul

## Where does snow go?

In Acorns we have been learning about where snow goes, what it's like to feel ice and snow and understanding how it melts. The children have had fun playing in the snow, making ice sculptures, writing their names in the snow and building igloos. We've had a busy time!
