

Literacy Homework

Date Handed Out: **Friday 19th January 2018**

Date Due In: **Wednesday 23rd January 2018**

Menu

Bronze: For everyone to try.

Silver: If you're feeling confident.

Gold: An extra challenge.

Bronze:

This week, in science, we have been looking at the digestive system. For your homework, this week, I would like you to complete the **1 star comprehension** about the digestive system. **Remember to write the answers, in full sentences, into your book and not on the sheet!**

Silver:

I would like you to complete the **2 star comprehension** about the digestive system. **Remember to write the answers into your book, in full sentences and not on the sheet!**

Then, for a little challenge, can you create a mini non-chronological about the digestive system and the function each part plays.

You can create this in your book and make it as long or short as you would like.

Gold:

I would like you to complete the **3 star comprehension**, about the digestive system. **Remember to write the answers into your book, in full and not on the sheet!**

Then, for a little challenge I want to see what else you can find out about the internal parts of the human body. Can you create a mini non-chronological, about what you have found out the body?

You can create this in your book and make it as long or short as you would like.

Remember to get your parents' permission, if you are using the Internet. You are also able to use the computer at school to help with your research.
