Our busy School Council decided they would like to present awards in our Celebration Assembly on Fridays. We have encouraged them to get involved in School Development and with this in mind they focused on the handwriting and presentation aspect of the plan, encouraging their peers to improve the presentation of their work. They came up with a criteria for selecting pupils for awards. Each week members of the council in each class look at a range of work with the class teacher and pick a pupil who deserves the award for that week. During assembly time the Council members speak to the school, explaining why they picked a particular piece of work and present the certificates.

PTA HUNDRED CLUB

Payments are now due and Becky Hill will be contacting everyone.

The amount is £12.00 for the year and the numbers will be drawn three times a year. There will be 3 prizes each time of £100, £50 and £25.

If you have not taken part and would like to, please see Becky Hill for information.

Internet Safety Idea
Check your connections are safe

It's important that your internet router is secure. Most internet service providers have security features, so you may want to consider switching these to safe mode. If the device has Bluetooth, set it to 'undiscoverable', otherwise you may unintentionally share data or allow hackers to take control of the device.
