## Message from Mrs Mills

Thank you to all Y2 and Y6 parents who attended the SAT's Information Evening on Wednesday. We hope you found this useful in supporting your children towards the end of their academic year.

On the same evening we hosted Maths Training for Cheshire West and Chester Head Teachers and Maths leaders in ensuring that our children across the Local Authority are embedding their mathematical understanding through reasoning and problem solving. This was a great opportunity to show off our wonderful school, including our new -build!

Good luck to our two hockey teams on Monday as we enter the Weaverham High School Tournament—watch this space next week!

Reminder: Please ensure your child has their PE kit in school each Monday morning—if your child does not have their kit then they are unable to participate in the lesson. Earrings need to be removed or covered in plasters provided by parents. If school ones are used then this could incur a cost to you. It would be simpler if your child did not wear earrings on their PE day. Many thanks in anticipation of your support.
