Severe Weather Procedure

In the case of the snow arriving, this is the timeline and procedure we will implement to ensure everyone is kept informed and it is done as soon as possible.

- 7:50 am Mrs Holgate will decide whether school is open or closed. This is dependent on the conditions around the school and the number of staff who are able to get into work.
- School will use the texting system.

If school is open:

- A 'key route' will be cleared for access via the main Upper Junior playground (**Lowerhouse Lane entrance**). All other access gates will remain closed (this also applies if the entrance areas to school are very icy).
