Albert Village Primary School

Admissions Policy

Albert Village Primary School is a school within Oval Learning Trust. This means that the local governing body is the admissions authority and is responsible for all admissions.

In formulating this admissions policy, the Governors consulted with the trustees of Oval, local academies, Leicestershire County Council and the governing bodies of local community and voluntary controlled schools for which the Local Authority is the admission authority.

This policy is reviewed by the Local Governing each Spring in line with the legal timelines for admissions.

The School Admissions Code (2014-2019) and the School Admissions Appeals Code (2012) can be found below:

Albert Village Primary School serves the catchment area shown in the attached map - Appendix A.

The admissions authority will set a planned admission number (PAN) which indicates the number of places available within the year(s) of entry. This information will explain how places will be allocated until the PAN is reached. The decision will be to refuse all applications that would lead to admission of pupils above PAN

Our planned admission number (PAN) for 2019/20 is 30 pupils.

Our designated catchment area does not prevent parents who live outside this area from expressing a preference for our school. In the event of insufficient places being available, places within a particular year group will be allocated in line with the criteria listed as 1-6 below. Entitlement to a place in the school is dependent on the parents applying at the appropriate time and (for infant submissions) on compliance with infant class size regulations (2). If a child moves into the school's designated catchment area once allocation decisions have been made, they will not be offered a place in the school if the planned admission number for that year has been reached but will have the right to appeal.

Applications for places for the reception class need to be registered by completing the on-line Local Authority common application form available from for the council you live in.

www.derbyshire.gov.uk/education/default.asp

Working our way to wisdom; learning our way for life.

The Local Authority common on-line application form must be completed by **15th January, 2019**. The School's supplementary information form must also be returned to the school office by 15th January, 2019.

The decision of the school's Admissions Committee will be notified to parents by the Local Authority. The closing date for Local Authority applications and the notification of the decision are in accordance with the Co-ordinated Admissions Scheme (3). Late applications will not be offered a place within the school if the infant class has thirty pupils, regardless of distance to the next nearest available school. Any application received after the closing date will be treated as a mid-term application and places will be allocated according to the school's admissions criteria and planned admission number (PAN) for that year.

Parents may seek a place for their child outside their normal age group, for example, if the child has experienced problems such as ill health or if they are moving from overseas and their child has not been educated in the English school system. Parents should contact the Headteacher to discuss any such requests with all the relevant information taken into account. Parents may also wish to submit other information in support of their request; for example, from professionals who have worked with their child. Each request will be looked at on an individual basis with any decisions taken according to what is considered to be in the child's best interests. This would be called a delayed start.

In addition, the parents of a summer born child (those born from 1st April to 31st August) have the right to choose not to send that child to school until they are of compulsory school age. In this case the child would have to start school during the same academic year for which they have been accepted and not beyond the beginning of the start of the final term. Parents should discuss this with the Headteacher. This is called a deferred entry start.

For delayed entry the following process should be followed in order:

- a) Parents should make the request to Leicestershire LA or Derbyshire LA & the school as the admitting authority by 15th January stating their request in their application for the chronological year group. This will provide time for requests to be processed, and where a request is not agreed, for the family to be assured their chronological application will be processed as a normal on time application.
- b) Parents should submit to the admitting authority their reasons for wishing to delay applying for a school place. This should include confirmation of agreement to the proposal from the Headteacher. On receiving the supporting evidence, and on the recommendation of the Headteacher, Leicester LA will write to the parent to agree that the application can be processed for the following year. However, the letter will highlight the potential risks / impact of this delay which include:
 - i) Whilst the school has agreed to the delay, there is no guarantee that the child will be allocated a place at that school the following year;
 - ii) Should it not be possible to allocate a place at the school the following year, the local authority will make every effort to allocate a Reception place, rather than a Year 1 place. However, it may not be possible to do this. Decisions on which year group a child is admitted to are taken by a school's admission authority; this is not always the

Working our way to wisdom; learning our way for life.

local authority and the admission authority of alternative schools may not be in agreement with delayed entry.

- iii) Attention will also be drawn to the fact that when the child moves to a different school (eg primary to secondary, or to a different school due to a house move) that the admission authority of the new school will be responsible for deciding which year group the child will be placed in. This could result in a child being required to 'skip' a year.
- c) If the request is not agreed, the parent will receive a letter detailing the reasons why.
- d) A copy of the letter sent to the parent will be sent to the Headteacher.
- e) The parent may still change their mind regarding delayed entry by a whole school year, and submit an application in the normal way. If an application is received, then the parent's previous request to delay until the following year would no longer apply.

This will offer the following options to the parent:

- i) Their child starts school in the September following their 4th birthday;
- ii) They can consider deferring the child's start date in Reception until later in the school year;
- iii) They can discuss part-time arrangements with the allocated school, as detailed above.
- f) A parent who chooses to delay entry by a whole school year will need to apply for a school place in the admissions round for the following year in the normal way. Their application will then be considered in exactly the same way as all others submitted during that application year.

If a parent who has applied by the closing date given by the Local Authority later changes their mind and wishes to defer/delay their child's entry to Reception, they should discuss this and other options with the Headteacher. Requests to defer/delay will not be agreed if the only reason is that a place has not been offered at one of the preferred schools.

These applications for admission outside normal age group will be considered alongside all other applications in accordance with the Local Authority co-ordinated admissions scheme. Parents have a statutory right to appeal against the refusal of a place at the school for which they have applied. This right does not apply if they have been offered a place at the school but it is not in their preferred age group.

Children with an Education, Health and Care Plan (EHCP or Statement of Special Educational Need) naming the school will be admitted even if this means exceeding the agreed PAN. Otherwise, when there are more applications than there are places available, the governors will admit pupils according to the following criteria which are listed in order of priority. If there are fewer applications than places, then no application is refused.

If there are too many requests, priority will be given to children whose parents applied on time, in the following order:

Working our way to wisdom; learning our way for life.

1. A child who is 'looked after (4)' or 'previously looked after.' Previously looked after children are children who were looked after, but ceased to be so because they were adopted (5) or became subject to a residence order (6) or special guardianship order (7).
2. Pupils who have a serious medical condition or exceptional social or domestic needs. (Professional documentation accompanying the application will be required). Examples of exceptional needs include:
 - *A child whose parent's occupation has an enforcement role which may bring the parent into conflict with parents of children attending their local school and therefore needs to attend the alternative school.*
 - *A child whose parent has recently died or is suffering from a serious illness.*
 - *A child who has suffered severe bullying which is recognised by the present or most recent school as an ongoing problem and which is having significant effect on the child's health.*
 - *A child with a serious medical condition which would make the preferred school particularly suitable*
 - *A child who has been abused and placed on the child protection register and who needs to attend an alternative school to avoid the abuser*

This list is not exhaustive, and each case will be considered on its individual merits.

3. Pupils who will have a sibling attending the school at the time of admission (8).
4. Children of serving staff at the school where the member of staff has been employed at the school for two or more years at the time of application.
5. Pupils who live in the designated catchment (See map at appendix A). The child's place of residence is taken to be the place where the child permanently and/or normally resides.
6. Pupils who live outside the designated catchment.

Where there are more applications than places available, places will be allocated within that particular criterion (as listed above) by a method of measuring the distance from the school. This measuring service is provided by Leicestershire County Council, and pupils will be allocated places in order from the nearest to the school to the furthest.

The school has the right to withdraw an offer of a place where:

1. A parent has not responded to an offer within 21 days.
2. Where the place has been obtained by false information, for example an incorrect address or date of birth.
3. A child was offered a place and the family moves out of catchment before admission takes place.

This is regardless of numbers in the school and whether or not other requests have been refused.

Working our way to wisdom; learning our way for life.

In-Year (mid-term) Transfers

All mid-term transfer request (in-catchment included) will be co-ordinated through the School Admissions Service for approval by the school before admission takes place.

Before applying, parents are encouraged to arrange a visit to the school after which the parent should complete the paper forms which are available on request.

The aim, wherever possible, is to always process mid-term applications within 10-15 working days (5 days if child is indicated as in care or previously in care). Delays may occur where further evidence or proof is required i.e. proof of house purchase, tenancy agreement, fair access information for complex or out of authority applications etc.

Where the mid-term application is made through the Local Authority the decision letter will either offer the place or refuse the place because the school is full. A refusal letter will also explain to the parent their right to appeal, and how they should do this.

Waiting Lists

During the normal admissions round it is always necessary to complete a Local Authority Common Application form to apply for a school place. Registering interest with the school on a 'waiting list' before the admissions round guarantees neither a place nor priority within the priority Criteria. Offers of places will be made by the Local Authority on the school's behalf.

If the school is oversubscribed for children due to start in 2018-2019 a waiting list will be maintained by the school. The position on the list will be determined by applying the published priority criteria and not by date of receipt. Each name added will require the list to be re-ranked. The existence of a waiting list does not remove the right of appeal against any refusal of a place from any unsuccessful applicant.

Names will only be removed from the list if a written request is received, or if the offer of a place that becomes available is declined. The waiting list will shut down on 31 December 2019 in accordance with statutory requirements.

Looked after children and previously looked after children as defined within this policy, children who are the subject of a direction by a local authority or who are allocated to a school in accordance with a Fair Access Protocol will take precedence over any child on the waiting list.

Appeals

If the Admissions Committee are unable to offer a place the parents/carers have the right to appeal. Appeals should be sent to: Diocesan Director of Education, St. Martins House, 7 Peacock Lane, Leicester, LE1 5PZ.

The appeal must be in writing on the relevant form which can be obtained from Mrs Kerry Miller, Diocesan Board of Education, St. Martins House, 7 Peacock Lane, Leicester, LE1 5PZ.

kerry.miller@leccofe.org Appeals must be made by 30th April in writing on the relevant form, and appeals will be heard during the summer term, within 40 school days of this date.

Appeals lodged after this deadline, like appeals for in-year admissions, will be heard within 30 school days of the appeal being lodged. In all cases, appellants will receive at least 10 days' written notice of the appeal hearing. Applicants may submit additional evidence in writing by 12 noon the day before the hearing. Decision letters are sent to the school and appellant within 5 days of the hearing.
