Trip to Chester Zoo (F2 - Y6) Thursday 22nd February 2018

23 January 2018

Dear Parent / Guardian

As a reward for the exceptional hard work of pupils throughout the Autumn term, as well as showcasing during our OfSTED inspection what a fantastic school-community we are, we have organised an educational visit to Chester Zoo. During this visit, staff have planned for pupils to develop and apply some of their learning from topics across the curriculum (e.g. Science - Living Things & their Habitats, Geography - Map-Reading & Orienteering) outside of the classroom environment.

The trip is planned to take place on **Thursday 22nd February**. All students from F2 - Y6 are invited to attend the educational visit and be a part of what we are sure will be a truly valuable experience and indeed, memorable experience.

Whilst we are not asking for a financial contribution for this visit, as the children will be off-site, we do require authorised permission slips for children to attend. Therefore you must ensure that you have completed and returned the attached permission slip for your child by no later than **MONDAY 29TH JANUARY 2018**.

An additional letter, outlining further details and arrangements for the day will be sent home closer to the time of the trip.

Many thanks for your continued support
