

25th January 2018

Dear Parents/Carers,

We would like to invite you to a phonics meeting for parents to give you more information about how your child learns phonics when they are at school. During this session we will be discussing what the children will be doing before they begin learning any sounds, how to pronounce the sounds, key vocabulary your child is/will be learning and how you can help at home.

The meeting will give an introduction to what phonics is as well as giving you the opportunity to ask any questions you might have. We would like this session to be as helpful as possible for you so please feel free to ask questions throughout the meeting or after if you would prefer to speak to a member of staff on a one to one basis. If there is anything you would like us to discuss at the meeting then please speak to Miss Chatman before the meeting and we will try our best to include this in the session or give the information you need separately.

At the meeting we will be giving out packs for you to support your child at home.

It is vital that we work together to support the children at school and at home to help each of them progress in their learning.

The phonics meeting will be held on **Monday 26th February 2018 at 2:45pm and repeated again on Monday 26th February 2018 at 6:00pm.**

If you would like to attend the meeting please complete and return the reply slip as soon as possible. If you can't make the meeting but would like to receive the information and pack please let us know also.

We look forward to seeing you.

Miss Chatman and Mrs Goodman
