Weekly Newsletter - Week 17

Parking around school

Unfortunately I have been informed that there have been some recent issues regarding parking around school. I have spent some time this week monitoring the problems faced by increased traffic during school drop off and pick up times. I'm happy to say that I did not see any cars parked causing an obstruction to local residents drive ways but I could see some of the challenges that are faced with limited access to parking places. I have tried to secure solutions with local businesses to use their facilities but due to restrictions with their insurance providers this has not been possible. Can I please remind you to respect our neighbours property and not cause any unnecessary upset by blocking their access. Also be mindful that lots of our parents have younger children and need to be able to access pavements with prams so please do not park on the curbs making parents have to compromise safety by being forced to pass on the road. Any further issues may mean I am forced to post photos of offending vehicles !!!Thank-you
