Gymnastics Competition

On Monday we drove to a Key Steps Gymnastics Competition at another school. First we practiced on the vault and after that we practiced the floor routine. A few minutes later, Key Steps One performed their vault routine. Then we had lunch. After that Key Steps Two acted out their vault routine followed by them accomplishing their floor routine. For the final part of the competition, Key Steps One completed their floor routine. Finally they announced the winners and...

We won the whole competition!

We were so excited!

Brownies and Guides

What are Brownies and Guides all about? They're about having fun, making lots of new friends and trying new things. It's a place for girls to enjoy exciting activities whilst discovering the wider world and learning useful skills every Tuesday 6:00pm-7:30pm. Recently we have been camping, had a sleepover, rock climbing, crafts and our barbecue. We meet during school term time and have a running cost of £2 per week. Brownies is for girls aged 7-10 and Guides is for girls aged 10-14 and we meet at St Johns and St Peters Church Hall in Ladywood. For more information please contact:
