## Battery Power

This year I am launching an ECO project with Duracell to collect as many dead batteries as possible. The aim is to collect hundreds of batteries to win a competition. The prizes include school trips, books for the school and even iPads!

I have given an assembly about it and told everyone what to do. The children may need some help bringing the batteries in to school. We need only AAA, AA, C and D batteries. I also need them in groups of 5s such as 5, 10, 15, 20 etc. So please find all of the dead batteries in your house and bring them in as soon as possible.

Thank you

By Josie, Year 6

## STOP PRESS.

Congratulations to all children that took part in another successfully successful Music and Poetry Evening yesterday. Their talents are endless.

**Learn more about** what your child is doing in class.....Come and visit their class and look at their books after parents' assembly next Friday.

**R**eception children are all

ready and independent to walk in with the rest of the school from the main black gates, **starting after this half term**. A member of the EYFS team will be there to walk with them until they feel confident to walk around by themselves.

**Just to Let You Know**, As part of our duty to safeguarding... Next week we will be talking with the children (and practicing) safety procedures for fire and emergency evacuations.

**Remember** only registered disabled blue badge holders will be allowed to park on the school grounds. Please pass on this message to grandparents and other people who pick up your children.
