iLearn2 Parent Access

Dear Parents,

Your child's school has subscribed to the www.iLearn2.co.uk website which includes a parent section. Here you will find online parent guides to using technology safely to support your child with their learning plus lots of important parent settings and e-safety resources.

To access the content please visit www.iLearn2.co.uk and use the login details below.

Username: [ibstockparent](#)

Password: [parent](#)

Please do not share the login details with parents whose children are at other schools as too many logins will result in automatic suspension of the account. We hope you find the website useful and there will be updates every month. Please subscribe to the iLearn2 parent newsletter after logging in to keep upto-date with all new content.

Kind regards,

iLearn2 Team
