Year 3	Jamie Robinson
Year 4	Reuben Allen
Year 5	Elliot Smith
Year 6	Evan Graves

Cars, other than those with a disabled badge, are not allowed for obvious H&S reasons in the school car park **ANYWHERE**, including the entrance, during the start and end of the day. Please respect this as a parent was seen driving down the school drive on their mobile phone this week!

DIRECTOR OF THE WEEK

Mr Paul Graham

I was born and raised in West Cumbria and for the past 16 years I have lived in the village. I have two children currently enjoying attending the school. In speaking to my Grandma she said my children are the fourth generation of the family to attend the school since 1906 (that she knows of).

Having worked 16 years in the Local Authority, as a Building Control Surveyor I now work in the private sector for Iggesund, Workington on Civil maintenance and Central facilities around Health and Safety Compliance. As a Director I will be providing knowledge, experience and support for the school on the Health and Safety sub committee.

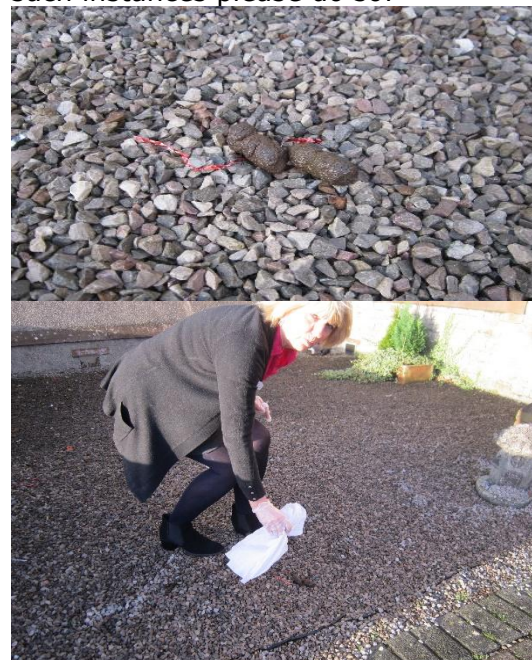

As a relatively new Director I am quickly gaining firsthand experience at just how much the school and children actually do. It is apparent that Academy Schools face great financial, safety and administrative pressures just like any other business. However, schools also face ever increasing legislative, educational, safeguarding challenges - and of course the requirements around young people.

The ultimate testament to the school is the confident, balanced and well rounded children the school continues to produce!

The school has long been central to village life and it's great to see that the school has managed to sustain and evolve over the years and continues to remain an ever increasingly well supported local school.

As a Director and more so as a parent I want to see both

Thank you to the **dog owner** who let their dog poo almost on the office door step and then walked away to leave staff to clean it up! If you haven't already registered on the Allerdale website in order to report such instances please do so!

Mrs Bewsher is having some hospital surgery and will be off school from tomorrow until after half term. Her class is being well looked after in her absence by staff from within school this week and Mrs Singleton next week.

To get this unbelievable offer students simply need to present a copy of this slip

Year 2 are holding a **Bright Stars Young Enterprise** event in school on **Friday 9th February** from 2.00pm onwards in the hall. Admission will be £2.00 to include a drink and cake. At the event there will be samples of personalised family button pictures, designed by Year 2 children. All families in school can order a picture at a cost of £5.00 mounted or £9 framed. These will be available shortly after half term. There will also be a photo booth, £2/person which children can do on their own or with family and friends and also a raffle. All children will be given a time slot when they can go in the hall, if they have any money to spend. Everyone is welcome to come along and this year's event is to raise money for CLIC Sargent the UK Cancer Charity for Children, a charity close to our hearts who supported Louis in Year 2 during many years of treatment. Miss Robinson plans to **design a Year 6** picture which would be a great memento of their time in school. These will be priced at £6 and £10.00 respectively for any Year 6 parents to buy. **If you would like to see any samples, please call and see Miss Robinson in Class 4.** If you are attending the event, you can take your child home with you whenever you leave during the afternoon.

Clubs begin on Monday 19th February, first week back after half term, running for four weeks. Please complete the slip on the timetable coming home today and return on or before this Friday. Please presume your child has a place unless you hear otherwise.

Advance warning!
World Book Day is taking place on Thursday March 1st and we will be dressing up as Harry Potter characters.
