31st January 2018

Dear Parents/Guardians

We are writing to ask you for your support. Our school has always been so proactive in fundraising- through our PTA and our children. We have always given our efforts towards helping local charities, Nugent Care, Zoe's Place and many more. Now we are helping to raise funds for a very special local charity "An hour for others". This charity does so much for families, local families who may be experiencing hard times at the moment. Their support may be in the form of practical essentials, providing beds, clothes etc, or even lifelong memories due to their kindness.

One of our staff members, Miss Kelsea Conway, is a driving force of this charity and has helped provide some children of our school with the most amazing experiences. Our staff have been so touched by these wonderful acts of kindness and by the passion and commitment of the charity to help local residents in their hour of need that we want to help.

That is why 24 of our staff from across the federation will be sky diving to raise funds so that the charity can grow and their impact be even greater. Yes, 23 of our staff, including myself will be jumping out of a plane at 11000ft on the 26th May.

We are asking for your support, by giving a donation to this group of incredibly brave/mad individuals.

To do this follow the link below and donate on our Go Fund Me page -no matter how small any money you donate is much appreciated, it all adds up.

<https://www.gofundme.com/skydive2018>

You can also donate cash via the school office. With your help we can all make a difference.

Mrs Mulligan
Head of School.
