Information about the School

Coleshill C of E Primary School is a Voluntary Aided School which means that school places, finance and educational support is either organised or bought from Warwickshire County Council.

Coleshill C of E Primary School is part of the Birmingham Diocese and that authority, through the Parochial Church Council appoints, Governors and members of staff. Being part of the Diocese has the advantage that the school can attract funding from the Department for Education directly for buildings and maintenance.

The Governors have decided to have closer links with the Diocese by applying to join the Birmingham Diocesan Academies Trust.
