

Addendum to Exclusion Policy 30/11/17

As part of the exclusion procedure where a pupil is excluded for any period a re-integration meeting will be held. At this meeting the parents/carer and the pupil will attend. The focus of the meeting will be to discuss the behaviour that led up to the exclusion, how to manage ~~his~~ ^{his/her} behaviour more appropriately when dealing with a similar issue and the pupils future conduct whilst being at the school. An excluded pupil will not be allowed to return to school until a re-integration meeting has taken place with the parent or carer.

Agreed addendum to the exclusion policy
