

Date: February 2018

Dear Parents/Guardians

Do Not Park on the Zig Zag lines

The Road Safety team would like to raise your awareness to the dangers of Parking on the School Keep Clear (Zig Zag lines) when parents/guardians drop off and pick up throughout the day.

- You could be issued with a penalty notice
- Most importantly it is creating a danger to the pupils attending their school.

Please be a Considerate Parker

- **There have been recorded incidents of collisions involving children at Liverpool Schools caused through parked cars moving off and reversing, especially if on the pavements and close to junctions.**
- **Visibility for the pedestrian and motorist is a priority whilst crossing and the children are easily masked by the cars.**
- **Church Road *please keep resident driveways clear at all times***
- **Aviemore Road, keep clear pedestrian entrance to the school and do not endanger pupils, park elsewhere and maybe access the road on foot.**
- ***It is also a constant source of complaint from residents in the local neighbourhood.***

KEEP SAFE YOUR CHILD'S SCHOOL AND NEIGHBOURHOOD

Regards

Road Safety Team
Liverpool City Council
