Dear Parents

Our bake sale for Sarah, our sponsored child in Uganda went very well today - thank you for your support. The Year 5 and 6 children worked so hard throughout the day producing a fantastic array of goodies. Thanks to Miss Shears for organising this. I will update you on how much we raise next week.

These children have been awarded Merit Certificates this week:

Well done children!

Please remember in the mornings, and at pick up time, to keep all pathways clear. Children and parents need to be able to walk safely to school. Please also ensure that you remain courteous and polite in your interactions with each other - we are all the role models for our children and to keep them safe and happy should be our first concern. If you have any concerns about the safety of the roads around the school, including obstructions or potholes please report it on www.fixmystreet.com .

There have been several media reports about a game popular with primary children called Roblox. Concerns have been raised about the ability for children to receive messages from strangers. Please see www.net-aware.org.uk/networks/roblox/ for advice on how to ensure privacy settings are set appropriately to keep your child safe online. This useful site is run by the NSPCC and you can search for most online games. Safer Internet Day is on the 6th February and we will be talking about how to stay safe online with all of the children.

Our Nursery application process is open until the 23rd February 2018 and applications are dealt with by the school. Please do spread the word and encourage people to visit the school. We are very proud of what we do here at Ardeley and it is a pleasure to share this with prospective parents.

With kind regards,
Mrs Connolly
