Dear Parents,

Welcome to the newsletter this week.

We have had a very exciting time in school this week, starting with the long awaited football match with Haddon Dene Primary School.

The football team were superb, winning the match 6-0. They played together brilliantly, supported each other and simply could not be faulted; each and every one of them played their hearts out. A big thank you to Mr. Peters for working with them at lunchtimes to ensure they played as well as they could as a team

We are delighted to inform you that we are now to represent Kent in the South East Finals, which will be held in March.

Some of the Year 1 + 2 children also took part in a football tournament at Greenfields school on Thursday which they all thoroughly enjoyed.

Bredhurst then caused quite a stir as we went viral with our letter regarding Roblox!

May I re-iterate the source of the information in this letter came from an E-Safety Company (EST), not the Kent Police as we originally thought. However, we continue to stand by our basic message which is to check that your child is playing safely on line. If you are unsure how to check their devices please come into school where a member of staff will be able to assist you with this.

This week:

Fir Tree class have been exploring robot dances which they shared in their class worship on Thursday which I am reliably informed were very entertaining.

Forge class have been finding out about different Artic animals and how they survive.

Hurstwood completed a science investigation about melting foods, some of them were very tempted by the chocolate which they had to melt!

Kemsley class went on a squared number monster hunt around the school.

Oakwood class have been focusing on their mathematical reasoning and being able to explain their mathematical understanding.

Snow and ice are currently predicted for next week, so please do check the website and listen to radio Kent in case of heavy snow for any school closures.

Mr Hegley has kindly planted spring bulbs along the flower bed. Please ensure your child/ren do not walk or jump on these areas.

Please could we remind parents about parking safely. This does include not parking across the steps to the village hall, and on double yellow and zig zag lines outside the school. Thank you for your support in this.

Could I also ask you not to let your children run around the staff car park, as on the odd occasion staff do need to leave promptly at the end of the day, to attend meetings at different schools, and we do not want to risk hurting a child as we leave.

**The Village Hall Charity shop is now open on Wednesday afternoon  
1.30—3.30p.m.**

Best Wishes  
*Michelle Cox*

**PARENT \* TEACHER STUDENT**

We have parents consultation evenings on Wednesday and Thursday of next week, your appointment times will be sent out to you on Monday.

Thomas Dodson has asked whether we can donate money towards Mary’s Meals, where it costs £13.90 to feed a child for a whole school year.

Thomas has asked whether each in the school could donate at least 1p per week for the remainder of the school year. Just this small amount would help us to achieve a total of £23.

Thomas would like to aim for a total by the end of the school year of £27.80, which could enable two children to be fed a school dinner for a whole year.

We will begin our collection after half term.

Thomas said “Please find any spare pennies and see if we can beat this target”.
