Once a week take a peek

We have been informed of head lice again in school. Head lice are really hard to clear from a class/school unless parent/carer's check hair on a regular basis. Information from the school nurse is to use conditioner and comb through the hair with a nit comb (try to buy a white comb as the nits are more easily seen). Some pharmacies stock detection combs. One type (Bug Buster® detection comb) is also available on prescription. You can also get them by mail order from: Community Hygiene Concern Tel: 01908 561928 Web: www.nits.net.
