## Education Rights:

### Information workshop for Parents

Tues 6th February 11-12.30

This workshop will outline Education Rights and Transitions Support services; what we do, how we can help and how parents can contact us. Workshop will include a brief outline of the most important issues about education rights in Northern Ireland, describe the 5 stage support system for SEN and discuss the Statutory Assessment and Statementing processes and talks about how parents can plan for school transition.
