Weekly Bulletin

Attendance matters

Regularly attending school is crucial to a child's education. Children who miss school often struggle to keep up with their peers. On average, a day missed represents five hours of learning missed.

You are encouraged to ensure that your child attends school at all times unless it is very clear this is not possible.

Be ready to learn – school begins at 9am

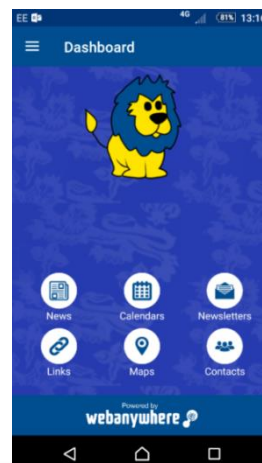

Tuck Shop

There appears to be an issue where children are either offering or asking to share tuck or money at break time. This is not encouraged in school. Please could you remind your child that any tuck money they bring in, and the tuck they buy with it, is for them only and not to be shared with their friends.
