

Friends Of Sacred Heart

Newsletter February 2018

INTRODUCTION

Firstly I would like to introduce FOSH (Friends of Sacred Heart) to any parents, carers and grandparents who may not know what we do. We are a small group of parents, grandparents and school staff who arrange activities and events throughout the school year to raise much needed funds for the school and your children.

All funds raised by FOSH goes back to the school and the children. In the past FOSH have contributed to school trips (to make it cheaper for parents), improved playground facilities, funds extra activities & events in school, Christmas presents for all the children and much more.

We really need more help. If you can contribute any help with time, support, ideas (however small) it would be extremely appreciated. Even if you think you've nothing to offer please come to a meeting and you'll be surprised what you can contribute. We are a friendly bunch.
