Year 5	Tia Sewell
Year 6	James Richardson

A reminder that we break up from school for the **half term holiday** this Friday 9<sup>th</sup> February at the normal time and return on Monday 19<sup>th</sup> February.

### DIRECTOR OF THE WEEK

**Mr Carl Whild**

I have lived in West Cumbria for the last 20 years, both my two sons have attended the school. They have both gone on to study at university which I feel is as a result of the excellent ground work laid by this school

During this time I have been involved in the school as a parent helper in the class and also running after school clubs in rugby, I have also been involved in helping in some of the school soccer and rugby teams.

I became a Parent Governor of the school 14 years ago and when the school became an Academy, as a Director. I then became the Chair of Directors 4 years ago.

As the Chair I am responsible for ensuring Director meetings follow the correct procedures and are efficiently run. I also Chair the Finance and Staffing subcommittee which is responsible for ensuring the school finances are run in a prudent manner and that the school is kept in a solvent financial position.

I liaise closely with the Headteacher and staff, helping to resolve any issues which arise in school and as a result have a degree of executive power to facilitate this.

I am a firm believer that our school should be at the centre of the village community.

Don't forget that that **Year 2** are holding a **Bright Stars Young Enterprise** event in school this **Friday 9<sup>th</sup> February** from 2.00pm onwards in the hall. Admission will be £2.00 to include a drink and cake. At the event there will be samples of personalised family button pictures, designed by Year 2 children. All families in school can order a picture at a cost of £5.00 mounted or £9 framed. These will be available shortly after half term. There will also be a photo booth, £2/person which children can do or on their own or with family and friends and also a raffle. All children will be given a time slot when they can go in the hall, if they have any money to spend. Everyone is welcome to come along and this year's event is to raise money for CLIC Sargent the UK Cancer Charity for Children, a charity close to our hearts who supported Louis in Year 2 during many years of treatment. If you are attending the event, you can take your child home with you whenever you leave during the afternoon. Miss Robinson plans to **design a Year 6** picture which would be a great memento of their time in school. These will be priced at £6 and £10.00 respectively for any Year 6 parents to buy. **If you would like to see any samples, please call and see Miss Robinson in Class 4.**

Our **footballers** have been in action recently, reaching the finals of The Sands Annual 5 a side Football Competition last Saturday where they did eventually lose to Canonbie 4-1. Coming 2<sup>nd</sup> out of 30 schools is no mean feat so well done to them! What particularly impressed Miss Eve and I was the sportsmanship they displayed throughout a long and tiring day, we were very proud of them. They were then joined by three other players last Thursday, including girls, coming third in a tournament in Cockermouth.

This week is our **Science week** throughout school so please ask your child to share with you the activities they have been doing. We are trialling a new system of having a specific week for science each half term in order that we can really focus the children on this curriculum area and improve their approach to practical science and also the recording of their findings.
