Rosetta app - if you haven't it downloaded yet, from the App Store or Google Play, please do so. It is a great way for quick communication—no more missed letters in school bags! I hope to do another parents' survey this term and would like to do it online, the app will make completing it easy! Please contact Miss Tumelty or Mrs Crawford if you need more information.

Valentine's Disco for P4-7 children is 13 February in the Assembly Hall. Admission £1, tuck shop on the night.

Congratulations to our P7 children. Those who sat the AQE and GL tests have scored really well. We are very proud of all our P7 children for all their skills and attainments— thanks go to all the staff in school and parents at home who have made them what they are!

We all want our children to develop good eating habits for life.

Please send a healthy break to school— sticky foods have lots of sugar so are NOT healthy! Suggestions for healthy break choices are fruit, vegetables (can be eaten with a hummus dip) yoghurt, crackers and cheese or breadsticks, a plain pancake or scone. We plan to have a healthy class competition soon, so get in the swing of being healthy now!

Great lining up and behaviour in the corridor from

P3H and P5D

Good manners award goes to **Katie P6J.**

If you have any **lego bricks** that are unwanted in your house please donate them to **Nursery**. A 'set' is not needed, odd bricks , people, roof tiles etc are really useful as the children are creative in their building.

Safer Internet Day—Tuesday 6th February

Each class will do a special age appropriate activity to teach the children how to stay safe on the internet. Please talk to them about what they have done in school and reinforce the messages at home—never share personal information, make sure an adult knows who you are talking to on-line.

English class is on Monday 5th February, in the staffroom at 9.00 a.m. Come to improve your vocabulary and conversation skills while getting to know some other parents.
