

7<sup>th</sup> February 2018

Dear Parents/Carers,

On **Tuesday 13th February 2018**, the Year 6 children are holding a fundraising afternoon. This is part of their topic 'Blood Heart'. They have decided to raise money for the British Heart Foundation. Over the last few weeks the children have been busy making heart shaped gifts to sell on the afternoon which will include canvas paintings, Valentine's Day cards, canvas bags and biscuits.

You are invited to join our fair between **2pm and 3pm** in 6L classroom. Please come to the main entrance to sign in and be escorted to the Year 6 classroom..

As it is during school hours, pupils from the other classes will be brought to the classroom by their class teachers to allow them to buy any items they wish to purchase. All items will be £2 or less.

To raise further funds for this worthwhile charity **Tuesday 13<sup>th</sup> February** will also be a **non-uniform day** with a suggested donation of 50p.

Yours Faithfully

Miss Dani Worthington

Headteacher
