SAFEGUARDING: NO DOGS ON SITE

Could we please remind you that dogs are **NOT** allowed on the school grounds at drop off and collection times. This is for the safety of the children.

SAFEGUARDING: DOG FOULING

It has come to our attention that there has been two incidents of dog fouling on the public footpath outside the Nursery gates. Dog poo carries serious health hazards such as toxocarasis which mainly affects children aged 1-4 years. Responsible dog ownership can prevent the spread of this infection and minimise the risk to the public. If you have any information about this please report it to the Dog Warden at Wakefield Council.
