

NSPCC

National Society Prevention for Cruelty to Children

We're the leading children's charity fighting to end child abuse in the UK, Channel Islands and Isle of Man.

We help children who have been abused to rebuild their lives, protect those at risk, and find the best ways of preventing abuse from ever happening.

They provide services for children, families and professionals

We have well-established relationships working with the NI Assembly, government departments and voluntary agencies to ensure that children can be protected and abuse prevented.
