

## dear parent or carer

Welcome to EasyPeasy, a free new programme for parents at this setting.

You are specially invited to join your EasyPeasy Pod, where you'll receive game ideas, tips and advice that support your child's healthy development and give them skills needed for school, and beyond!

All this will arrive straight to your mobile phone.

### A weekly SMS

will introduce you to a new game and give you tips on how to play

### A short video clip

with real families will show you how to play with your child

### With comments

you can share your experience with parents and settings staff

Once you are registered, you'll soon be invited to join your Pod through an SMS message from 'EasyPeasy' straight to your mobile phone.

All you'll need to do is click on the message to begin, and you'll get access to a world of fun and educational play.

We hope to see you in the Pod!
