£5 entry

includes

mini chippy tea

E-Safety Week

To mark the annual Safer Internet Day 2018, children were given an assembly on how to stay safe online. In line with our High 5 value of 'respect', we discussed emotional well-being online, how to be kind to others and how to report if you have any concerns. Year 6 also led Family Time about how to stay safe on the internet.

Should you have any questions in relation to e-safety, please do not hesitate to make an appointment with Miss Masih who will be happy to support and answer any questions you may have.

Important Reminders to Parents - Reception to Year 5

We have had a few problems with parents leaving their child at the school gates before they are open or in the playground before the school doors are open. It is of utmost importance that you stay with your child or ensure another adult is looking after them until 8.45am. Until this time, no staff member is responsible for watching your child. Any child left unattended before 8.45am will receive a phone call home.

A reminder: Gates open at 8.30am and school doors open at 8.45am.

Year 5 Parents - If you would like your child to walk to and from school on their own after the February half term, please put this in writing addressed to the Year 5 teacher. Only children deemed responsible and mature enough will be able to walk to and from school alone.

We all have a responsibility in keeping our children safe...

No matter what time of day it is, no one should be parking on the zig zag lines outside of school. The lines are there to protect your children. There is clear parking outlines outside of school. Please use them.

This message will also be spread to all delivery drivers and visitors.

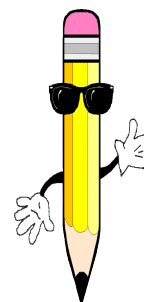

Star of the Week

Reception ~ Maria
 Year 1 ~ Maryam
 Year 2 ~ Jessica
 Year 3 ~ Lukas
 Year 4 ~ Abdul
