29th Church for Easter Service led by Y6 & Y2

2.30pm FOHT presentation Easter prizes

Year 4 return from Lineham Farm

School closes

We have had a super half term in school with lots and lots of hard work taking place. The children have been involved in many different topics and the highlight of the term was the Art Week we had in January. It was lovely to see so many Parents, Carers and Grandparents looking at the fabulous artwork and to hear the children explaining what they had to do to produce it. The work now displayed in the hall looks amazing.

We have also had many of our class assemblies; the children were outstanding at showcasing the work they have been doing.

The Year 5 Music morning was also extremely successful as the Year 5's showed us all how far they have come in 12 months—brilliant.

I would like to take this opportunity to thank FOHT for all their hard work organising and running the Valentine's Disco. All the children had a fabulous evening. Thank you.

Year 3 News:- Miss Mortimer has decided that from the end of March she is having a break from teaching and having a career change. She will still be working in school until then but Mrs O'Donovan will become the class teacher in Year 3 from February 19th.

Parking:- We have had several complaints again from Residents in the area about the lack of regard of some Parents/Carers when it comes to Drop off and Pick up times. Unfortunately Residents are having driveways blocked and on some of the roads it would be impossible to get an Emergency Vehicle through should anyone be needing the Fire brigade or an Ambulance. **Please park thoughtfully.**

Money into school:- The Office staff have asked me to remind you all that all monies into school must go through the classroom. Children should hand money, in an envelope, to the class teacher. It should not come through the office.

PE Kit:- All children must have both their indoor and outdoor PE kit in school everyday.

Children who use an inhaler **MUST** have these in school EVERYDAY.
