

News from us

Week ending 9th February 2018

From Mrs Barber

The children have taken part in 'Safer Internet sessions' all this week. They have created keeping safe rules, posters on how to keep safe and watched DVD clips on important issues. Miss Jones gave a presentation to parents on Thursday sharing our practice in school and how to keep our children safe on the internet at home. A handout is in the book bags tonight and her presentation is on our website for parents who could not attend.

Shared Learning Dates and Times

Year 2—14th February
Year R / 1—15th February
Year 3 / 4—16th February
