Healthy Eating survey -As you know, we are encouraging the children to bring a healthy snack to school. Before I write a policy I would like your views. A survey will be sent out on the Rosetta app which you can complete by clicking on the link. (if you haven't yet got the app, please download from the app store or Google Play.) If you would prefer a paper copy of the survey, please ask your child's teacher for one.

Valentine's Disco for P4-7 children is on Tuesday night, 13th February, in the Assembly Hall. Admission £1, bring some money for the tuck shop!

Safer Internet Day—Tuesday 6th February

The internet is a great learning tool for children, but it also can expose our children to risk. All classes had an e-safety lesson on Tuesday, and talked about the **SMART** rule

SAFE (not sharing information) **MEETING** (not everyone is who they say they are) **ACCEPTING**(don't open attachments, pop-ups etc), **RELIABLE** (not everything you read on-line is real) , **TELL** (if something makes you feel uncomfortable or unsafe)

The Digital Leaders created internet safety posters and did a short talk on how to stay safe with each class. Please talk about staying safe online with your children and monitor their use of the internet.

P7 enjoyed a trip to the QFT today to see a film premiere! Pupils from Rosetta and Forge Primary Schools interviewed different people in our community , these were recorded and made into a short documentary film— this was a great opportunity for the children to meet new people and learn new skills.

English class is on Monday 12th February, in the staffroom at 9.00 a.m. Come to improve your vocabulary and conversation skills while getting to know some other parents.
